# NO LAWYERS, NOR NAUGHTY CHICKENS LIFT PROHIBITION LID MOST MODEL TOWN

. Eudora, Kan., Dec. 21. - In the line of law abiding localities, Sir Thomas More wrote a piece about a place he enilled Litopia. Although Sir Thomas failed to say so in so many words, he may be gented as asserting in effect that "Good morning, judge," was a remark one never would hear in Utopla. Utopia, however, exists only in line ngination, Eudora, now-it's in Kan-

bus been no call to have the boy on a soul in Endora. It was at that time that the last of Endorn's police indges passed out of office and the office passed out with him. Since even longer ago what once was the lockup has been simply the 'warrent of the city ention, hall raing else whitever that strong cow died. After they had formershal, to- being their first offense I decided to a 12-hour fast was the figurehead did by | notic the charges." are their boschis person the additional

City Star says. But before long, like yet, the colonies of ancient Grece, she cast off the yoke of the mother city and now they have not even a police court In common. The town took its name from the lithesome daughter of an Indian chieftain of the friendly Shaubee tribe. There must have been some Paschal Fish, and Endorans, ever considerate of the future, hesitated to fasten on posterity such a P. O. ad-

attack of nervous prostration when Quantrell passed within three niles on were made easy by the etempship cor his two to Lawrence. But true-peace pantes, were always taller than the dia . seegin to settle on Endora until Knusas went "day."

field for local talent. One old inhabitant thus states the present legal sit- seven inches.

"There he still," he drawls, "some Hars left around these parts, but no

In the follstone which already is beginning to surround the regime of the last police bidge is this unweleful;

A entprit was finted from court on some trivial offense, "Gulley or not the prisoner could unswer "You must be guilty. If you were not guilty they wouldn't be bringing you in here."

Only once has coline reared its hydrn hend and looked realls masty in Endorn. That was when a 19 year old bandit robbed the Endors State book twice in a month, shot a policeman and put a buffet in the law of Fred Sharr. cashier and present mayor. They still live on that excitement of 1909, back In Eudora, and they declare it'll last !

unless you count the time a negrowhipped out a knife and slashed a new suit of store clothes which John her, endures it high for Paxton had just put on.

# Yet It's Lively Withal.

Don't believe for a moment that all that rectifude means Eudoca isn't modern. It's a theiring little city of 650 Inhabitants and they rate a per capital wealth of \$864, according to bank dos brass and aluminum, notice a

Eudora is not a caudle tight village. There's electric lighting, twenty-four hours of it to the day. And you should see Main street of a Saturday night. when the movies are open. Motor cars (almost every Eludoran has one or two) are lined up several deep along

But the most recent innovation is the Three miles of the city's streets are to be treated to an asphalt surface and no more will the dust which in over Ed Pilla's dry goods stock or car enteenth street. He procured a hive, springs be jeopardized. But most of Stocked it and awaited results. The all, has the paving come as a boon to Herb Landon, street commissioner, Herb, it has been mentioned, also is city marshal and grave digger. Baffled as he was in those two branches of his career Herb has turned the forces of his pent up energy and enthuslasm into the street making job.

Such is the town of Enders, which long ago passed out of the class which is designated as "one horse."
